- Douglas K. Damon
- Running for: House District 16

1. Please describe your personal and professional experiences with nonprofit organizations.

I have served and continue to serve in many nonprofit entities. I have served as the area director of the Combined Federal Campaign, as President of Bangor Breakfast Kiwanis, as President of Bangor Youth Hockey, Bangor West Side Little League, am a sitting member of the Bangor Planning Board, a past member of the Bangor Center Government Committee, as well as a host of others.

2. Please provide specific ways in which, if elected, you would partner with and strengthen the nonprofit sector to achieve the goals of your campaign.

I would look for ways that nonprofit's can improve the quality of communities and life within. Nonprofit's can be very helpful to provide a level of support where it would not be a better fit for other means.

Thank you for your interest in this area. We must all pull on the same end of the rope for a better Maine.

Cheers.
Doug
