

# Annual Report 2012–2013

Dear Friends,

Nonprofits matter. Scratch the surface of why people love Maine and you'll find a strong network of nonprofit organizations delivering on their mission. Maine's nonprofits create jobs for our citizens, educate our children, care for our most vulnerable citizens, invest in our economy, protect the environment, support arts and culture, build affordable housing, develop community leaders, and nurture our spirit.

Over the past 19 years, MANP has become the critical resource for Maine nonprofits for the tools, knowledge, and connections they need to be effective and well-run. Statewide membership has grown to more than 760 nonprofit organizations and 140 for-profit supporters because, in one member's words, "MANP is the go-to organization that is in touch with the pulse of the nonprofit world and is the best advocate for the sector."

We are proud to serve the organizations that work so hard to promote the values and ideals that attract so many to our quality of life, and thank our members and supporters for their continued confidence in us.

–Ellen Golden, Board President
