Dear Friends,

Nonprofits touch our lives in countless ways. Maine’s nonprofits create jobs for our citizens, educate our children, care for our most vulnerable citizens, invest in our economy, protect the environment, support arts and culture, build affordable housing, develop community leaders, and nurture our spirit. Nonprofits are central to the Maine that we love and Maine’s future is integrally connected to the strength and well-being of our nonprofits.

For 20 years, MANP has been a comprehensive resource for Maine nonprofits, providing the tools, knowledge, and connections they need to be effective—both internally and externally. MANP’s value to the community is reflected in its ever-growing statewide membership of nearly 800 nonprofit organizations and 150 for-profit supporters because, in one member’s words, “MANP is a vital partner in our ability to advance our mission, and is the best advocate for the sector.”

We are proud to serve the organizations whose values and ideals contribute to the quality of life that is key to who we are as Mainers. Our thanks to our members and supporters for their continued confidence in us.

–Ellen Golden, Board President
–Scott Schnapp, Executive Director
Our mission is to strengthen the leadership, voice, and organizational effectiveness of our state’s nonprofits so they can better enrich the quality of community and personal life in Maine.
