Please describe your personal and professional experiences with nonprofit organizations. *

I am aware that there are many nonprofits. Health organizations, colleges, Jackson lab, Christian Civic League, (probably, one that I have become most familiar with).

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to advance policies that strengthen Maine.

Watch carefully the kinds of laws that could become harmful to nonprofit organizations.

What is your position on property tax exemption for Maine nonprofit property owners?
