Please describe your personal and professional experiences with nonprofit organizations. *

I am an LCSW and I have worked for 30 years for various health and behavioral health organizations.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to advance policies that strengthen Maine.

I believe economic development also includes nonprofits. These organizations provide vital health care and services for many residents. Rates and contracts must reflect the cost of doing business and paying valuable employees fair wages.

What is your position on property tax exemption for Maine nonprofit property owners?
