Please describe your personal and professional experiences with nonprofit organizations. *

I am currently serving on the boards of 4 non profits and obviously believe in the value they bring to our community.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to advance policies that strengthen Maine.

I will continue to serve on these boards that bring so many jobs and revenue to my community. I will continue to work to get funding for non-profits from our county commissioners that they have cut.

What is your position on property tax exemption for Maine nonprofit property owners?

Strongly support.
