Please describe your personal and professional experiences with nonprofit organizations. *

I am a dsp and work for a non profit. I have done this line of work for the last 5 years as a house parent, or as part of a therapuetic couple. My experience with non profit organizations increases all the time.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to advance policies that strengthen Maine.

I would definitely push for better funding, and stop the cuts that seem to always come for these entities.

What is your position on property tax exemption for Maine nonprofit property owners?

I am of the opinion that non profits should remain tax exempt, they are already providing an at cost service and shouldn't be hindered in their abilities to perform, because of property taxes.
