Please describe your personal and professional experiences with nonprofit organizations. *

I have been involved in a volunteer capacity with a number of non-profits, including preparing and serving meals at Preble Street Resource Center and teaching English language skills to immigrants at Learning Works.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to advance policies that strengthen Maine.

I believe that many non-profit organizations play a critical role in providing information, resources and partnership on issues vital to the state of Maine. I would plan to work closely with non-profits that provide critical information on issues I work on as a Legislator.

What is your position on property tax exemption for Maine nonprofit property owners?

I support continuing the property tax exemption for non-profits. I would specifically oppose proposal's like Gov. LePage's to tax land held in conservation trusts.
