Please describe your personal and professional experiences with nonprofit organizations. \*

For my professional career, I have worked for non-profits, including 350 Maine and Sierra Club Maine as well as national organizations. I am on the Board of Friends of the Earth. I have also volunteered with numerous non-profits in Maine and support many of the local non-profits--like the Midcoast Conservancy--that are vital to the wellbeing of our community.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to advance policies that strengthen Maine.

I will support non-profits working towards the social good in Maine in all sectors. I am excited to partner with organizations to sponsor legislation that can benefit our state and will learn and listen. I also think that non-profits are one of the ways that we bring investment to Maine--through funding and employment. We can make the case that Maine has a non-profit sector to invest in, bolstering our economy, providing jobs, and doing good work.

What is your position on property tax exemption for Maine nonprofit property owners?

I support this policy.
