Please describe your personal and professional experiences with nonprofit organizations. *

Over the years I have served on many 501c3 boards and also as a Treasurer. In addition, I have volunteered for municipal and school related boards.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to advance policies that strengthen Maine.

I will always take your interests into consideration when there are issues or pending legislation in play that affect your interests.

What is your position on property tax exemption for Maine nonprofit property owners?

I support it in almost all cases, however, we must always make sure that the effort is real and sincere and not just someone attempting to evade taxation.
