A Guide for Nonprofit Organizations

Acknowledgements

The Maine Association of Nonprofits would like to express its sincere gratitude to the following individuals who made significant contributions of time and expertise to the development and creation of this guide:

Peter Montano, Douglas Woodbury and Cathy Ramsdell served on a Curriculum Planning Committee that created the framework and outline for this guide.

Chris F. Amann and Catherine F. Knowles served as the consultants to research and write the actual publication.

Peter Montano of Macpage has provided edits and revisions to reflect updated regulations.

MANP is very grateful for all of their contributions and hopes that this publication achieves our goal of enhancing the financial knowledge and effectiveness of nonprofit leaders.

Many thanks to the following sponsors for supporting the development of this publication.
