Greetings,

On behalf of the citizens of Maine I would like to recognize the critical work of Maine's nonprofit organizations. Maine nonprofits provide invaluable services to communities throughout Maine.

Hospitals, advocacy organizations, religious organizations and health and human service providers are just some of the nonprofits that advance the quality of life for Maine citizens. It is important to support these organizations as they strive to improve the economy and the health and well-being of all residents. The efforts of nonprofits will support the growth of our future citizens and community leaders.

I appreciate the work of Maine's nonprofit organizations and wish them continued success as they serve the State of Maine.

Sincerely,

Paul R. LePage
Governor
