## Candidate Questionnaire

Thank you for taking the time to reflect on your experience with Maine's nonprofit sector. Please respond no later than Friday, September 30, 2016.

Did you know nonprofits:

- **Employ 1 in 7 workers** in Maine.
- **Contribute \$10 billion per year** to the economy through wages paid, retail and wholesale sales, and professional services contracted.
- **Pay \$3.6 billion annually in wages**, which translates to approximately **\$206 million in personal income tax revenue**.
- **Mobilize 350,000 volunteers each year** to improve communities.

### **1. Please describe your personal and professional experiences with nonprofit organizations.**

Professionally as a ERP consultant I have had numerous non-profit clients. Small organization such as Broadjump in NYC, The Papermill Playhouse of Milburn, NJ as well as larger organizations as The Institute for Public Administration. Personally, my family was active in the local NAMI chapter on Long Island, my late mother served as Treasurer for many years.

### **2. Please provide specific ways in which, if elected, you would partner with the nonprofit sector to advance policies that strengthen Maine.**

Streamline regulations and reporting and filing requirements.

**3. What is your position on property tax exemption for Maine nonprofit property owners?**

I support the current exemption. The governor's proposal to eliminate this exemption has many financial consequences that would hurt too many non-profit organizations.

**4. Do you have any specific questions or need further information on any particular issue regarding Maine's nonprofit sector that we can help you with?**

Not at this time. Hopefully I will be in the position to help in the future when I get elected.
