2022 Candidate Survey - Maine Association of Nonprofits

Thank you for taking the time to reflect on your experience with Maine’s nonprofit sector.

Through this questionnaire, the Maine Association of Nonprofits (MANP) offers Maine candidates for publicly elected office the opportunity to reach our vital constituency to let them know how you would partner with nonprofits to advance policies that would strengthen our state.

Our goal is to promote an educated and enthusiastic nonprofit community that votes.

Please complete the questionnaire no later Friday, September 30, 2022. We will post responses to our website the following week.

I’m a past Board member of the Presumpscot Regional Land Trust.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

If endorsed, I will add the endorsement to my social media. If print materials were made available, I would distribute them in my district. If volunteers are available, I would appreciate canvassing support.
