2022 Candidate Survey - Maine Association of Nonprofits

Thank you for taking the time to reflect on your experience with Maine’s nonprofit sector.

Through this questionnaire, the Maine Association of Nonprofits (MANP) offers Maine candidates for publicly elected office the opportunity to reach our vital constituency to let them know how you would partner with nonprofits to advance policies that would strengthen our state.

Our goal is to promote an educated and enthusiastic nonprofit community that votes.

Please complete the questionnaire no later Friday, September 30, 2022. We will post responses to our website the following week.

Candidate's Full Name *

Tiffany Bond

---------------------------
I have an extensive history with nonprofits from Chambers of Commerce to trade organizations (MAM, ABA, AMA) to neighborhood groups (Homeowner's Association) to charitable organizations. I have served on boards and as an officer for several groups. I've had to pull back since becoming a parent, but prior to that was deeply involved in multiple groups, including having spent almost 8 years as a city official that worked extensively in public/private/quazi-public partnerships.
Please describe your top 3 policy goals. *
Habitable planet; fiscally-prudent and humane policy; increasing delivery of social services

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

Nonprofits serve a vital and necessary role in our society. They are able to tailor to the needs of a wide variety of different groups, adapting far more swiftly than most governmental agencies can. It would take too many characters to fill in the myriad of ways that nonprofits fit into public/private/quazi-public partnerships. However, I find nonprofits to be important enough that I ask campaign donors to fund their favorite nonprofits instead of donate to my campaign. (see: www.bond4.me/maineraising)
