2022 Candidate Survey - Maine Association of Nonprofits

Thank you for taking the time to reflect on your experience with Maine’s nonprofit sector.

Through this questionnaire, the Maine Association of Nonprofits (MANP) offers Maine candidates for publicly elected office the opportunity to reach our vital constituency to let them know how you would partner with nonprofits to advance policies that would strengthen our state.

Our goal is to promote an educated and enthusiastic nonprofit community that votes.

*Please complete the questionnaire no later Friday, September 30, 2022. We will post responses to our website the following week.*

Please describe your personal and professional experiences with nonprofit organizations. *

I am a CEO of a nonprofit.
Please describe your top 3 policy goals. *

First, I intend to deal with issues by engaging everyone in my district in solving the problems we face. This includes nonprofits.
Second, It seems to me that recession is out number one problem.
Third, under the present administration in Washington they are trampling on State Rights in Maine. In all of these issues communication is the key.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

Communication is the key and together we need to return common sense of Maine. Remember for 50 years we have been under the control of one party and we have their agenda in our State, not the will of the people.
