2022 Candidate Survey - Maine Association of Nonprofits

Thank you for taking the time to reflect on your experience with Maine's nonprofit sector.

Through this questionnaire, the Maine Association of Nonprofits (MANP) offers Maine candidates for publicly elected office the opportunity to reach our vital constituency to let them know how you would partner with nonprofits to advance policies that would strengthen our state.

Our goal is to promote an educated and enthusiastic nonprofit community that votes.

**Please complete the questionnaire no later Friday, September 30, 2022. We will post responses to our website the following week.**

Frank Roma
I have had the good fortune to have served on the Board of several dynamic and substantive nonprofit groups over the years to include organizations such as the Boys and Girls Club, the American Red Cross and others.
Please describe your top 3 policy goals. *

Getting energy and home heating costs under control and manageable for all Mainers. Revise the state tax code to be more attractive to seniors and retirees, work to provide health care for all Mainers.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

The nonprofit sector is a wellspring of knowledge and an example of "How to get things done." To partner with nonprofits is to Uriel a force multiplier for good in our communities and the state.
