2022 Candidate Survey - Maine Association of Nonprofits

Thank you for taking the time to reflect on your experience with Maine's nonprofit sector.

Through this questionnaire, the Maine Association of Nonprofits (MANP) offers Maine candidates for publicly elected office the opportunity to reach our vital constituency to let them know how you would partner with nonprofits to advance policies that would strengthen our state.

Our goal is to promote an educated and enthusiastic nonprofit community that votes.

**Please complete the questionnaire no later Friday, September 30, 2022. We will post responses to our website the following week.**

Please describe your personal and professional experiences with nonprofit organizations. *

I previously served on the board of Consumers for Affordable Health Care and currently serve on the board of the Hubbard Free Library in Hallowell. I also worked for several years as a lobbyist and had several nonprofit organizations as clients.
Please describe your top 3 policy goals. *

Improve access to quality, affordable health care
Protecting our environment
Improve the supply of affordable housing

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

I would work with non-profit organizations to seek advice on how best to achieve these goals and seek their assistance in educating other legislator and the public about the importance of these goals.
