2022 Candidate Survey - Maine Association of Nonprofits

Thank you for taking the time to reflect on your experience with Maine’s nonprofit sector.

Through this questionnaire, the Maine Association of Nonprofits (MANP) offers Maine candidates for publicly elected office the opportunity to reach our vital constituency to let them know how you would partner with nonprofits to advance policies that would strengthen our state.

Our goal is to promote an educated and enthusiastic nonprofit community that votes.

Please complete the questionnaire no later Friday, September 30, 2022. We will post responses to our website the following week.

Please describe your personal and professional experiences with nonprofit organizations.

I am an LCSW and have worked in non profits for over 30 years.

Please describe your top 3 policy goals.

Increase access to effective behavior health and SUD services. Improve support for families that provide care to loved ones. Improve working conditions for those working in direct care.
Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

I would like to hear from nonprofits about how we can provide a career path for those working in direct care. It's not just about rates, but we need to talk about education, opportunities for advancement and benefits.
