Thank you for taking the time to reflect on your experience with Maine's nonprofit sector.

Through this questionnaire, the Maine Association of Nonprofits (MANP) offers Maine candidates for publicly elected office the opportunity to reach our vital constituency to let them know how you would partner with nonprofits to advance policies that would strengthen our state.

Our goal is to promote an educated and enthusiastic nonprofit community that votes.

Please complete the questionnaire no later Friday, September 30, 2022. We will post responses to our website the following week.

Please provide specific ways in which, if elected, you would partner with the nonprofit sector to achieve the goals of your campaign.

I would like to work with organizations to accomplish my goals of weatherizing houses, help with recovery especially from opioid addiction and with educational organizations to help get the word out about ways to make Maine work for the people who live here.
